I Don't Want to Play Football

Belle and Sebastian

I don't want to play football
I don't understand the thrill of the game
I don't want to play football
I don't understand the thrill of running, catching, throwing

Taking orders from a moron Grabbing for the sweaty crotches Getting hit by people I don't know Sugar, I'd rather play a different sort of game Sugar, the girls are just as good as boys at playing
