

## Is It Wicked Not to Care?

Belle and Sebastian

Is it wicked not to care when they say that you're mistaken  
Thinking hopes and lots of dreams that aren't there?  
Is it wicked not to care when you've wasted many hours  
Talking endlessly to anyone that's there?  
I know the truth awaits me  
But still I hesitate because of fear

Skipping tickets making rhymes  
Is that all that you believe in?  
Wearing rags to make you pretty by design  
Rusting armor for effect  
It's not fun to watch the rust grow  
For it will all be over when you're dead

Counting acts and clutching thoughts  
By the river where the moss grows  
Over rocks the water running all the time  
Is it wicked when you smile Even though you feel like crying  
Even though you could be sick at any time?

But if there was a sequel  
Would you love me as an equal?  
Would you love me till I'm dead

If there was a sequel Would you love me like an equal?  
Would you love me till I'm dead  
And if there was a sequel  
Would you love me as an equal?  
Would you love me till I'm dead  
Or is there someone else instead?
