

For Your Eyes Only

Belle Mariano

I have a lot of things on my mind
It's like a hurricane, no, I won't lie
The right words I can't find
All I want is some peace of mind

But in this trouble I realized
That I'm only looking on their eyes
Concentrating only on what they see
When in all this, You're looking at me

And now I know
Everything I do
Is for Your eyes only
Everywhere I go
Is for Your eyes only
Everything I am
Is for Your eyes only
No matter how they'll see me
You see beyond what they see in me
No matter what I'll be
It's for Your eyes only

I can't imagine what my life would be without You
It will be chaotic, so messy
Every little thing will start to feel heavy
But You're always here and I know You will never leave me
Ready to give my all for You
No matter what happens
I'll make it through

For everything I do
Is for Your eyes only
Everywhere I go
Is for Your eyes only
Everything I am
Is for Your eyes only
No matter how they'll see me
You see beyond what they see in me
No matter what I'll be
It's for Your eyes only
It's for Your eyes only
