

Rise

Belle Mariano

Even when I'm told no
I don't take that for an answer
I'm focused on my goals
Cause that's what really matters
I'm on an uphill slope
Taking it real slow

The journey comes with setbacks
Sometimes I wanna quit the show
I'm told that I should step back
But here's something that they should know
I won't back down
And I'll stand my ground
Cause

I'm on the rise
Right before their eyes
No limit but the sky
I'm ready to take flight
Someday they'll see
I'll be exactly where I want to be
Living out my dreams
Right before their eyes
I'm on the rise

As my story unfolds
All the more I'll take control
Looking back, I've grown
I'm ready for whatever life throws
No, I won't back down
And I'll stand my ground
Cause

I'm on the rise
Right before their eyes
No limit but the sky
I'm ready to take flight
Someday they'll see
I'll be exactly where I want to be
Living out my dreams
Right before their eyes
I'm on the rise
I'm on the rise
Oh

I'm on the rise
Right before their eyes
No limit but the sky
I'm ready to take flight
Someday they'll see
I'll be exactly where I meant to be
Living out my dreams
Right before their eyes
I'm on the rise
I'm on the rise
I'm on the rise
