

Running Out Of Time

Belle Mariano

If I have to be honest
I know that something's wrong
Am I the only person who can notice what's going on?
I think it's because we think we can have what we want
In a snap of a finger
Well, I'm telling you now
It's not that easy

In a few years
I gotta be this and that
In a few months
I have to be there like that
In a few weeks
I should've been where the pressure's led me to
Why does it always have to be?
A question of what's next for you and me
Why does it have to feel like
I'm running out of time

Do this, do that
To get where you wanna be at
Be this, be that
Until when should I hear all that?
This generation can be patient and be kind
I know there's rules in life
And I'll figure it out

In a few years
I gotta be this and that
In a few months
I have to be there like that
In a few weeks
I should've been where the pressure's led me to
Why does it always have to be?
A question of what's next for you and me
Why does it have to feel like
I'm running out of time

To be who I wanna be
Feels like I'm running out of time
Does it always have to be what's next for me?
Why does it have to feel like
I'm running out of time?
Why can't we just live life and take our time?
