

# Everything

Belle Perez

Can't imagine what my life  
would be, without you  
I'm just happy spending  
all my time  
Around you ... oh yeah

What I'm getting is true love  
Don't want anybody  
but you ... because

Everything I feel,  
Everything I need  
I know that it's right,  
These emotions are real

Everything I know,  
Everything I see  
Only goes to show,  
You are everything for sure

Can't imagine that  
I used to be, so lonely  
Without you I'm sure  
my world would be,  
so empty ... oh yeah

Treasure all of  
the time we share  
Promise you'll always  
be there ... because

Everything I feel,  
Everything I need  
I know that it's right,  
These emotions are real

Everything I know,  
Everything I see  
Only goes to show,  
You are everything for sure

I'm so in love with you,  
Just believe it  
It's the reason I survive  
Knowing I can spend the  
rest of my life ... with you

Tututu ...

Promise you will always be

Everything I feel,  
Everything I need  
I know that it's right,  
These emotions are real

Everything I know,

Everything I see  
Only goes to show,  
You are everything for sure

Everything I feel  
I know it's right  
These emotions  
are so real,  
oh yeah  
Only goes to show

You are everything for sure  
You are everything for sure
