

Cornflakes

Belle & Sebastian

There's something else
There's something else
There's something else I have to say to you
There's someone else
There's someone else
And it's you
Are you aware?
How would you care?
Ah but I know you do

If nothing else
If nothing else
If nothing else in this world from me is true
As long as there's
As long as there
As long as there's a song in there
I'll sing to myself
I'll pray for myself
I won't have a care

In popular song
Don't wanna be the other guy
(Let him run wild let him run wild)
I'm not the bad boy in this boy
I wasn't born to make you cry
(She will make you cry she will make her cry)
Never saw a river that didn't flow somewhere
(Open up inside open up your eyes)

There was never any doubt
I needed someone to care
Where is my song?
I don't know
Where is my song?
I'm not sure
If nothing else
If nothing else
(Take the actress take the other trip)
As long as there's a song in there
I'll sing it for you
I'll tell you the truth
As I walked out into Glasgow City
The autumn light looked so pretty
As we walked out into Glasgow City
I scared myself, you looked so pretty
Pretty
Pretty

Get those cornflakes right back in the bowl
Good times are created not bestowed
Is it really necessary
If you're not being Bob you're being Terry
Where's the Likely Lad that we used to know
Get those cornflakes right back in the bowl
