

# I Need To Be Next To You

Bellefire

Been running from these feelings for so long  
Telling my heart I didn't need you  
Pretending I was better off alone  
But I know that it's just a lie  
So afraid to take a chance again  
So afraid of what I feel inside

But I need to be next to you  
Oh I, oh I  
I need to share every breath with you  
Oh I, oh I  
I need to know  
I can see your smile each morning  
Look into your eyes each night  
For the rest of my lie  
Here with you, near with you  
Oh I, I need to be next to you

Right here with you is right where I belong  
I'll lose my mind if I can't see you  
Without you there is nothing in this life  
That would make life worth living for  
I can't bear the thought of you not there  
I can't fight what I feel anymore

Coz I need to be next to you  
Oh I, oh I  
I need to share every breath with you  
Oh I, oh I,  
I need to know  
I can see your smile each morning  
Look into your eyes each night  
For the rest of my life  
Here with you, near with you

Oh I, oh I  
need to be next to you  
I need to have your heart next to mine  
For all time  
Love you for all my life

I need to be next to you  
Oh I, oh I  
I need to know  
I can see your smile each morning  
Look into your eyes each night  
For the rest of my life  
Here with you, near with you  
Oh I, need to be next to you
