

Out:Red

Belligerence

Out of sight, ends the red line
200 miles far, 200 miles far
4 feet left, 4 feet right
There's the point, on the sight
There's the point, for the fight.

Contact!! - Taking cover
Shut up! - I've got two men down!

Motherfucking glock, Motherfucking view
Motherfucking shock, Motherfucking cops
Motherfucking gas, Motherfucking judge
Motherfucking god, Motherfucking death

Meaningless soul sickness more less some mess
No motion, no option... just black
Hi, say goodbay, lay down or die
Calm down, do not preach about life.
