

Fire Marengo

Bellowhead

Oh lift him up and carry him along
Fire Marengo, fire away!
Set him down where he belongs
Fire Marengo, fire away!

Stow him in his hull below
Fire Marengo, fire away!
It's stay he must but then he'll go
Fire Marengo, fire away!

Screw that cart and screw it down
Fire Marengo, fire away!
Let's get back home to Liverpool town
Fire Marengo, fire away!

When I get back to Liverpool town
Fire Marengo, fire away!
I'll cast a line to little Sally Brown
Fire Marengo, fire away!

I'll haul her high I'll haul her low
Fire Marengo, fire away!
I'll bust her blocks and make her go
Fire Marengo, fire away!

Sally she's a pretty little craft
Fire Marengo, fire away!
Hot shot to the fore and rounded aft
Fire Marengo, fire away!

Lift him up and carry him along
Set him down where he belongs
Sally she's a pretty little craft
Hot shot to the fore and rounded aft
