

# Never Been Better

Ben Abraham

Things are amazing  
I'm making music I love  
It's the life I wanted but my self esteem's been rough  
It's kinda crazy  
I'm trying to work out the game  
To sing the truth of my life  
And monetizing my pain

Look mum, I'm living in LA  
You know it's sunny every day  
And you asked me how I'm doing?

Well, I've never been worse  
But I've never been better  
And I'm in love with the person that I'm becoming but I'm more insecure than ever  
And the more I learn the less I know but it's alright  
Two different things can both be true at the same time  
And I've never been worse  
But I've never been better

I called my sister  
It's been a while since we talked  
But she's doing so much better now that she's divorced  
Isn't it crazy  
That life can be such a mess  
But disaster has a way of bringing out your best

I told her you should see LA  
It started raining here today  
And when I asked her how she's doing

She said I've never been worse  
But I've never been better  
And I'm in love with the person that I'm becoming but I'm more insecure than ever  
And the more I learn the less I know but it's alright  
Two different things can both be true at the same time  
And I've never been worse  
But I've never been better

Don't you worry  
Everybody's crazy  
You're doing amazing  
Everything is terrible

Well, I've never been worse
