Wasn't It Good

Ben Abraham

Wouldn't you know it
I've lost my courage
Isn't that funny?
Me, lost for words
Not that it really matters, 'cause I know you know
And you would have told me yourself if you could

Remember the first time
We met each other?
You were in your world
I was in mine
Breaking down the barriers
We broke all the rules

Wasn't it good?
Wasn't it fine?
While I took for granted
I took my time
Longing for love
Oh how we tried
It's over now, that's understood
But wasn't it good?

So long together
Two would-be lovers
Caring for flowers
That just wouldn't grow
And in all of our tomorrows
We'll have yesterday

And wasn't it good?
Wasn't it fine?
While you took for granted
You took your time
Longing for love
Oh how we tried
It's over now, that's understood
And wasn't it good?

Wasn't it good?
Wasn't it fine?
Wasn't it good?
Wasn't it fine?
Wasn't it good?
Wasn't it fine?
Wasn't it good?
Wasn't it fine?
Wasn't it good?
Wasn't it fine?
