

# Fever

Ben E. King

Never knew how much I loved you  
Never knew how much I cared  
When you put your arms around me  
I get a feeling that's so hard to bear

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

Sun lights up all the daytime  
The moon lights up all the night  
I light up when you call my name  
And I know you're gonna treat me right

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

Romeo loved Juliet  
Juliet, she felt the same  
When he put his arms around her  
He said Julie baby, you're my flame  
You give me fever

You give me fever  
When you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

And I say  
Now people listen to my story  
Here's the point that I have made  
Chicks were born to give you a fever  
Be it Fahrenheit or Centigrade

You give me a fever  
When you kiss me  
Fever when you're pulling me tight  
Fever early in the morning  
Fever all through the night
