I Swear by Stars Above

Ben E. King

All my life I've been mistreated and every little girl I had, s
he cheated.
But I'm still willing to take a chance if I had a girl like you
 to
give romance. I'm telling you,

,I SWEAR BY STARS ABOVE I'M GONNA GIVE MY LOVE TO YOU.
I'LL NEVER BREAK YOUR HEART OR TEAR IT ALL APART,
I'LL BE TRUE to you, mmmhh mmmhh.

I had a girl in every town and the last girl I had, hah,
she put me down. I never thought I'd find a sweet thing like yo
u.
You build my hopes up after all I've been through.
And I'm telling you,

,I SWEAR BY STARS ABOVE I'M GONNA GIVE MY LOVE TO YOU.
I'LL NEVER BREAK YOUR HEART OR TEAR IT ALL APART, I'LL BE TRUE.
Only you, have a little faith in me. And I know that
everything, everything's gonna be alright if only you'd have
a little faith in me. Darling darling, everything, everything's
going to be alright, oh yeah.
