

Don't Change Your Plans

Ben Folds Five

sometimes i get the feeling
that i won't be on this planet
for very long
i really like it here
i'm quite attached to it
i hope i'm wrong

all i really wanna say
is you're the reason i wanna stay
i loved you before i met you
and i met you just in time
'cause there was nothing left

i sat here on my suitcase
in our empty new apartment
until the sun went down
then i walked back down the stairs
with all my bags and drove away
you must be freaking out

all i know is i've gotta be
where my heart says i oughta be
it often makes no sense
in fact,
i never understand these things i feel

don't change your plans for me
i won't move to LA
the leaves are falling back east
that's where i'm gonna stay

you have made me smile again
in fact, i might be sore from it
it's been a while
i know we've been together many times before
i'll see you on the other side
but don't change your plans for me
i won't move to LA
the leaves are falling back east
that's where i'm going to stay

all i really wanna say
is you're the reason i wanna stay
but destiny is calling and won't hold
and when my time is up i'm outta here
(note: please add a space here)
all i know is i've gotta be
where my heart says i oughta be
it often makes no sense, in fact
i never understand these things,
i feel

i love you, goodbye
i love you, goodbye...
