

# Only Love

Ben Gibbard

Only love will save this place  
Only love will save this place  
Only love will save this place  
Only love will save this place

No voices of anger  
No threshing fists  
No ultimatums  
No last chances missed  
No Savior to arrive  
Just in the nick of time

Only love will save this place  
Only love will save this place  
Only love  
Only love will save this place  
Only love will save this place

No screaming to the sky  
No restless guns  
No wounds inflicted  
No villains outrun  
No waiting for a flame  
To burn us down again

No voices of anger  
No threshing fists  
No ultimatums  
No last chances missed  
No Savior to arrive  
Just in the nick of time

Only love  
Only love  
Only love
