Saw you there with long blonde hair  
Eyes of blue oh baby I love you  
When you're walking I love you more  
When you're talking I love your talk

Look so cute behind your kid  
Heard some kids but baby you're a hit  
When you're rocking I love your rock  
When you're ticking I'm your tock

Then again just a thought  
Think I might but I'm not

Love your touch, I love your style  
Hit the snag you know who makes me smile  
When you're walking I love your walk  
When you're talking I love your talk

I love you but you can't see  
I love you but baby do you agree  
When you're rocking I love your rock  
When you're ticking I'm your tock

Then again just a thought  
Think I might but I'm not

I love your rock  
I'm your tock

Then again just a thought  
Think I might but I'm not
