

## Another Lonely Day

Ben Harper

**B      Gm-Gm7      Dm      F**

1. Yes indeed, I'm alone again  
and here comes emptiness, crashing in  
it's either love or hate, I can't find in between  
cause I've been with witches, and I've had a queen

**Es      Gm      F      F**

- R: It wouldn't have worked out any way  
so now it's just another lonely day  
further along we just may  
but for now it's just another lonely day
2. Wish there was something, I could say or do  
I can resist anything, but temptation from you  
but I'd rather walk alone, then chase you 'round  
I'd rather fall myself, then let you drag me down

R: It wouldn't have worked...

3. Yesterday seems, like a life ago  
cause the one I love, today I hardly know  
you I held so close in my heart, oh dear  
ya grow further from me, with every fallen tear

R: It wouldn't have worked...
