

# Don't Give Up on Me Now

Ben Harper

Time, it opens all wounds  
And trust is gonna put me in the tomb  
The world isn't mine, the world isn't mine to save  
I can't afford to lose what you resell and throw away

And I don't even know myself,  
What it would take to know myself  
I need to change, I don't know how  
Don't give up on me now

It's not what we do, it's what we do with what we feel  
Takes all you have to stare it down, and whisper "Devil, no deal."

And I don't wanna fight, don't wanna fight my father's war  
You can wait your whole life  
Not knowing what you're waiting for

And I don't even know myself,  
What it would take to know myself  
I need to change, I don't know how  
Don't give up on me now, don't give up on me now  
Don't give up on me now, don't give up on me now

I don't even know myself,  
What it would take to know myself  
I need to change, I don't know how  
Don't give up on me now
