

In The Colors

Ben Harper

D **A**
When your whole world is shaken
Bm G
from all the risks we have taken

D
Dance with me
A As G
dance with me
D
into the colors of the dust

D A
When you have awoken
Bm G
from all the dreams broken
D
come and dance with me...

Em Bm
The paths we're walking on
G A
they crumble behind us
Em Bm
but if we leave now
G A
they will never.. they will never find us

F
If this crazy world spins itself
down to the dust
I wanna be with you ...
I wanna be with you ... colors

You again start hoping
with your arms wide open
come on dance with me...

When all will be right
dancing like water in the light
oh dance with me...
