

# Picture In A Frame

Ben Harper

**D** **A**  
Now you can sell your soul

**G** **D**  
But you cant buy it back

**D** **A**  
I have spent My whole life

**G** **D**  
Trying to give you everything you lack

**Bm** **A**  
And now I wish that we could walk and talk

**G** **D**  
in the soft rain

**Bm** **A**  
now all that is left of us is a picture

**G** **D**  
sitting in a frame
