

## Spin It Faster

Ben Harper

DJ play that song for me  
With the one drop beat  
I'm not here to lean on the wall  
Got to move my feet  
I'm your everlaster  
I'm your everlaster  
Spin it faster  
Spin it faster  
Spin it faster  
Spin it faster

Some need religion  
Some just need a plan  
Better use too much butter  
Than to burn the pan  
Reverend, priest, preacher and a pastor  
Reverend, priest, preacher and a pastor  
Spin it faster  
Spin it faster  
Spin it faster  
Spin it faster

Repetition is to conviction  
What a hammer is to a stone  
Hard times they will come  
But hard times they'll be gone

Go ahead and ask her  
Go ahead and ask her  
Spin it faster  
Spin it faster  
Spin it faster  
Spin it faster
