Ben Harper

Em C (2x)

Em C
You can run away from home

Em C
But you can't run away from your pain

Em C
Now I sit here alone

Em C
There's always someone else to blame

D Em C
It's up to you now

D Em C
It's up to you now

D Em
Don't wanna be your broken dream

D Em
We've run out of fate somehow

C D
And it's up

Em
to you now

Em C
I have to hide from my own face

Em C
Now that we have fallen from grace

Em
Arms that hold you close

C
Are the arms that hold you back

Em C
While your world is under attack

It's up to you now
It's up to you now
I stumble to your altar
With my knees bent, my head bowed
And it's up
to you now

And you nailed it to both of my hands

D **Em** **C**
It's up to you now
D **Em** **C**
It's up to you now
D **Em**
My fist is full of ashes
D **Em**
And my blood is in the ground
C **D**
So it's up
C **D**
Yes it's up
C **D**
It's up
Em
To you now
