

Concrete

Ben Kessler

I don't trust myself
This time of night
I've been drinking for a minute
Wanna get my words right

It's been a while since I've
Had someone on my mind
Got me holding my heart close
Wanna play my cards right

Ooooh
What if I'm not ready for ya?
Ooooh
What if you don't want me at all?

Hold me
Tell me that you really wanna know me
I'm falling fast and it's on me
But I'm one fall away from the concrete
Hold me
Right here in the middle of my old street
Rain coming down on my bare feet
I'm falling fast and it scares me
Cause I'm one fall away from the concrete

Wanna take you home
Want you to meet my friends
Hope my words can say enough
Wish you could see inside my head
So distracted by my name leaving your lips
Knowing the further I go
The harder it ends
Just want you to

Hold me
Tell me that you really wanna know me
I'm falling fast and it's on me
But I'm one fall away from the concrete
Hold me
Right here in the middle of my old street
Rain coming down on my bare feet
I'm falling fast and it scares me
Cause I'm one fall away from the concrete

I'm one fall away from the concrete
One fall away from the concrete
Hope you catch me when I fall
Hope you catch me when I fall

Hold me
Tell me that you really wanna know me
I'm falling fast and it's on me
But I'm one fall away from the concrete
Hold me
Right here in the middle of my old street
Rain coming down on my bare feet
I'm falling fast and it scares me

Cause I'm one fall away from the concrete
