

Cruise Control

Ben Kessler

One foot on the gas one foot on the break
All the things I love, all the thing that I hate
I breathe deep or I suffocate
I'm either numb or I feel everything
Best I ever had or I can't stand the taste
Take one drink, drink all I can take
I'm scared to leave but I don't wanna stay
I wanna grow but I don't wanna change

I'm floating and falling
Don't know where I'm going
But damn it's exhausting
I'll get there I know it
Cruise control (Yeah)

I want fame but I don't wanna show my face
I want love but I keep pushing it away
I want it all but how much can I really take
Getting nothing tryna be everything

Oh I'm floating and falling
Don't know where I'm going
But damn it's exhausting
I'll get there I know it
Cruise control
I'll make it home

Foot at the gas
Foot at the break
Wanna love something I can't chase
I wanna see myself face to face
Wanna believe it when I say

So keep me floating and falling
Not know where I'm going
But damn it's exhausting
I'll get there, I know it
Cruise control
I'll make it home

Foot at the gas
Foot at the break
Wanna love something I can't chase
I wanna see myself face to face
Wanna believe it when I say

So keep me floating and falling
Not know where I'm going
But damn it's exhausting
I'll get there, I know it
Cruise control (Yeah)
I'll make it home
