

Take the long way home back from San Francisco
You look so pretty looking at the coast out the window
I think I've been here before in one of my dreams
I think I love you but I'm not sure what that means
But it seems we are

Head to head until the sunrise
When we kiss, we close our eyes
See the world for what it is
Falling in love ain't just for kids
You see what I see in the clouds
And when we talk we're dreaming out loud
You and I been waiting on this
Falling in love ain't just for kids

From the car we use stars to guide us home
The man and the moon won't seem to leave us alone
I think I've been here before in one of my dreams
I think I love you but I'm not sure what that means
But it seems we are

Head to head until the sunrise
When we kiss, we close our eyes
See the world for what it is
Falling in love ain't just for kids
You see what I see in the clouds
And when we talk we're dreaming out loud
You and I been waiting on this
Falling in love ain't just for kids
Yeah, falling in love ain't just for kids

And I know that this road is getting long
The radio just killed our favorite song
But we still sing along

Whoa-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh
Whoa-oh-oh-oh-oh

Head to head until the sunrise (sunrise)
When we kiss, we close our eyes
See the world for what it is
Falling in love ain't just for kids
You see what I see in the clouds
And when we talk we're dreaming out loud
You and I been waiting on this
Falling in love ain't just for kids
Yeah, falling in love ain't just for kids (ain't just for kids)
Yeah, falling in love ain't just for kids
