

# Blueprint

Ben Lee

I'm not playing with you  
I'm not playing with you  
I'm not playing with you, yeah you  
I'm not playing with you  
I'm not playing with you  
I'm not playing with you, yeah you  
I'm not playing with you  
I'm not playing with you  
I'm not playing with you, yeah you  
I'm not playing with you  
I'm not playing with you  
I'm not playing with you

I clean forgot how to play  
But you can still come around  
In fact I invite you down  
Maybe together  
We can wipe that smile off your face  
'Cause what a difference  
What a difference  
What a difference  
A little difference would make

We'll draw a blueprint, it must be easy  
It's just a matter of knowing when to say no or yes

Frustrating, frustrating  
Always waiting for the bigger axe to fall  
A patient game I can't find my way to play  
Find my way to play not knowing

Never mind what's been selling  
It's what you're buying  
And receiving undefined  
Never mind what's been selling  
It's what you're buying  
And receiving undefined  
Never mind what's been selling  
It's what you're buying  
And receiving undefined  
Never mind what's been selling  
It's what you're buying  
And receiving undefined

Never mind, never mind  
Never mind, not knowing to play  
Never mind, never mind  
Never mind, not knowing to play  
Never mind, never mind  
Never mind, not knowing to play  
Never mind, never mind  
Never mind, lost the way  
Never mind, never mind  
Never mind, not knowing to play  
Never mind, never mind  
Never mind, not knowing to play
