

## Do I Know You?

Ben Lee

Can't think of anything I'd rather do  
Than spend some time showing that my love is true  
With my two favorite things, Dinosaur Jr. and you  
And you, do I know you? Do I know you?

Can't think of any place I'd rather be  
Than going out tonight in your good company  
I'll close my eyes if you don't want me to see  
To see you, do I know you? Do I know you?

We're playing twenty questions on the roof of a truck  
Descendents are blasting, it's Don't Wanna Grow Up  
It doesn't bother me that maybe I'm stuck here  
With you, do I know you?

You know I'm not that bad  
So don't let me fall flat  
I'm gonna prove my faith in you

Can't dream of anything more beautiful to know  
Except having tickets to a good all-ages show  
On my 4-track I'm writing songs about my all-time lows  
Here with you, do I know you? Do I know you?
