

Speeding Motorcycle

Ben Lee

Speeding motorcycle of my heart
Speeding motorcycle, always changing me
Speeding motorcycle, don't you drive recklessly
Speeding motorcycle of my heart

Many girls have taken you for a ride
Hurt you deep inside but you never slowed down
No, no, no

Speeding motorcycle of my heart
Speeding motorcycle, let's speed smart

Well we don't want to wreck but we can do a lot of tricks
We don't have to break our necks to get our kicks

Speeding motorcycle, the road is ours
Speeding motorcycle, let's speed some more

Well we don't need reason and we don't need logic
'Cause we got feelings and we're dang proud of it

Speeding motorcycle, there's nothing you can't do
Speeding motorcycle, I love you
Speeding motorcycle, let's just go
Speeding motorcycle, let's go, let's go, let's go
Let's go, let's go, let's go, let's go, let's go

Speeding motorcycle, speeding motorcycle
Speeding motorcycle, speeding motorcycle
Speeding motorcycle, speeding motorcycle
Speeding motorcycle
