

# Everything Burns

Ben Moody

She sits in her corner  
Singing herself to sleep  
Wrapped in all of the promises  
That no one seems to keep  
She no longer cries to herself  
No tears left to wash away  
Just diaries of empty pages  
Feelings gone astray  
But she will sing

'Til everything burns  
While everyone screams  
Burning their lies  
Burning my dreams  
All of this hate and all of this pain  
Burning all down as my anger reigns  
'Til everything burns  
Ohh... ooh...

Walking through life unnoticed  
Knowing that no one cares  
To consume and then masquerade  
No one sees her there  
And still she sings

'Til everything burns  
While everyone screams  
Burning their lies  
Burning my dreams  
All of this hate and all of this pain  
Burning all down as my anger reigns  
'Til everything burns

Everything burns  
Everything burns  
Everything burns  
Everything burns

Watching it all fade away (All fade away)  
Everyone screams  
Everyone screams  
Watching it all fade away  
Ohhhh

'Til everything burns  
While everyone screams  
Burning their lies  
Burning my dreams  
All of this hate and all of this pain  
Burning all down as my anger reigns  
'Til everything burns

Ohhoh  
Everything burns  
Watching it all fade away  
Ahh  
Everything burns

Watching it all fade away
