

Remember Me

Ben Moody

Now it's too late to go home,
Morning's closing in on me,
Reaching for a heart,
That always slips right through my hands,

There's no starting over again,
Be the one I should of been,
Because I buried him half alive,
I go on
I'm not running tonight,

What a beautiful lie this has been,
To think that all I had to do
was hide a little longer,
But these feet won't run
This heart is done,
You have won, you have won
But I'm not running tonight

Remember me, the lonely,
Remember me, the weak,
And I surrender to this hopeless fight,
And sing into the deep,,

I'm sorry just isn't enough this time,
'Cause I don't even have the strength
to say goodbye.
No, but I've prayed, I've tried,
I've fought and I've lied,
You have won, you have won
But I'm not running,
No, I'm not running,

Remember me, the lonely,
Remember me, the weak,
My surrender to this hopeless fight,
And sing into the deep,

Remember me, the only,
Remember me, the meek,
And I will render all I have loved,
And lay me down to sleep,

Remember me, the lonely,
Remember me, the weak,
My surrender to this hopeless fight,
And sing into the deep,,

Remember me, the only,
Remember me, the meek,
And I will render all I have loved,
And lay me down to sleep,

Remember me, the lonely,
Remember me, the weak,
My surrender to this hopeless fight,
And sink into the deep,

Remember me, the only,
Remember me, the meek,
And I will render all I have loved,
And lay me down to sleep,
