

# Bad Habit

Ben Platt

You always said that I'd come back to you again  
'Cause everybody needs a friend, it's true  
Someone to quiet the voices in my head  
Make 'em sing to me instead, it's you

Hate to say that I love you  
Hate to say that I need you  
Hate to say that I want you  
But I do

Bad habit, I know  
But I'm needin' you right now  
Can you help me out?  
Can I lean on you?  
Been one of those days  
Sun don't wanna come out  
Can you help me out?  
Can I lean on you?

You make me feel like I'm floatin' off the ground  
Above this little town, you do  
Look at me smile with tears in my eyes  
I love the way you lie, I do

Hate to say that I'm lonely  
Hate to say that I miss you  
Hate to say that it's dark in here  
But it's true, oh

Bad habit, I know  
But I'm needin' you right now  
Can you help me out?  
Can I lean on you?  
Been one of those days  
Sun don't wanna come out  
Can you help me out?  
Can I lean on you?

Oh, oh-oh-oh-oh-oh  
Oh, oh-oh-oh-oh-oh  
Can I lean on you?  
Oh, oh-oh-oh-oh-oh  
Oh, oh-oh-oh-oh-oh  
Can I lean on you?

Hate to say that I'm lonely  
Hate to say that I miss you  
Hate to say that it's dark in here  
But it's true, oh

Bad habit, I know  
But I'm needin' you right now  
Can you help me out?  
Can I lean on you?

Can I lean on you?  
You

Can I lean on you?

Hate to say that I love you  
Hate to say that I need you  
Hate to say that I want you  
But I do
