

# Better

Ben Platt

I don't know if you're listening or if you wanted to hear from  
me  
I don't feel like you're supposed to when somebody sets you free  
I'm not good at pretending that I'm happy to be alone  
Part of me is a question, can't answer it on my own  
'Cause I lost part of me when I lost all of you, now I'm lost

I don't wanna come crawling, crawling  
But I catch myself falling, falling  
I could try to stop calling, calling just to show myself  
Did you keep my sweater, sweater?  
Did you read my letter, letter?  
Do you know me better, better than I know myself?  
Do you know me better, better than I know myself?

I don't feel like we're done here  
You got a lock on the things I want  
I'm a lost, lonely one here who's addicted to holding on  
I don't have you to kiss now and I'm putting myself to sleep  
But it's me that I miss now, there's a me that I didn't keep

I don't wanna come crawling, crawling  
But I catch myself falling, falling  
I could try to stop calling, calling just to show myself  
Did you keep my sweater, sweater?  
Did you read my letter, letter?  
Do you know me better, better than I know myself?  
Do you know me better, better than I know myself?  
Than I know myself?

'Cause I lost part of me when I lost all of you, now I'm lost

I don't wanna come crawling, crawling  
But I catch myself falling, falling  
I could try to stop calling, calling just to show myself  
Did you keep my sweater, sweater?  
Did you read my letter, letter?  
Do you know me better, better?  
Do you know me better, better than I know myself?  
Than I know myself?

I don't wanna wait any longer for the feeling of getting stronger  
Maybe that's why I wrote a song for you  
'Cause you know me better, better  
Than I know myself
