

# For Forever

Ben Platt

End of May or Early June  
This picture perfect afternoon we shared  
Drive the winding country road

Grab a scoop at A La Mode  
And then we're there

An open field that's framed with trees  
We pick a spot and shoot the breeze  
Like buddies do

Quoting songs by our favorite bands  
Telling jokes no one understands  
Except us two  
And we talk and take in the view

All we see is sky for forever  
Let the world pass by for forever  
Feels like we could go on for forever this way  
Two friends on a perfect day

We walk a while and we talk about  
The things we'll do when we get out of school  
Bike the Appalachian trail or  
Write a book  
Or learn to sail  
Wouldn't that be cool

There's nothing that we can't discuss  
Like girls we wish would notice us but never do  
He looks around and says to me  
"There's nowhere else I'd rather be"  
I say "me too"

And we talk and take in the view  
We just talk and take in the view

All we see is sky for forever  
Let the world pass by for forever

Feels like we could go on for forever this way  
This way

All we see is light for forever  
'Cause the sun shines bright for forever  
Life will be all right for forever this way  
Two friends on a perfect day

And there he goes  
Racing toward the tallest tree  
From far across the yellow field I hear him calling "follow me"  
And there we go  
Wondering how the world might look from up so high

One foot after the other  
One branch then to another  
I climb higher and higher

I climb until the entire  
Sun shines on my face

And I suddenly feel the branch give way  
I'm on the ground  
My arm goes numb  
I look around  
And I see him coming to get me  
He's coming to get me  
And everything's okay

All we see is sky for forever  
Let the world pass by for forever  
Buddy, you and I for forever this way  
This way

All we see is light  
'cuz the sun shines bright  
Life will be all right for forever this way  
Two friends  
True friends  
On a perfect day
