Ben Platt

You melt me away, stretch out my days  
Turn all my colors into hues  
Filtering rays, magnolia shade

My days and dreams all bleed together  
Me oh my  
I'm lucky I  
Can swim this golden glow forever  
Right here

I'm lucky I  
Can swim this golden glow forever  
Right here inside my honeymind

Oh, honey mine  
You slow the time  
But days and dreams don't last forever  
Not evergreen  
But ever-sweet  
To swim this golden glow together  
Right here inside my honeymind
