

imagine

Ben Platt

Your eyes give life a new meaning
It's like I found the North Lights
I never knew what I needed
Until I felt your hand holding mine

Yeah, you say I'm your hero
But you are the one that saved me
If I ever lost you
I'd fall to my knees

I can't imagine my life without you
I can't imagine one night without you
If something happened, don't know what I'd do
I can't imagine, I can't imagine my life without you

Your eyes give life a new meaning
It's like I found the North Lights
Oh, I never knew what I needed
Until I felt your hand holding mine

Yeah, you say I'm your hero
But you are the one that saved me
If I ever lost you
I'd fall to my knees

I can't imagine my life without you
I can't imagine one night without you
If something happened, don't know what I'd do
I can't imagine, I can't imagine my life without you

My life without you
My life without you

I can't imagine my life without you
I can't imagine one night without you
If something happened, don't know what I would do
I can't imagine, I can't imagine
I can't imagine my life without you

My life without you
I can't imagine, I can't imagine
I can't imagine my life without you
