

I Did Not Create The Rules

Ben Quad

It'll be like this forever
Always lost, confused
I can't see up ahead with all this smoke, it clouds my eyes
I will try
To live my life the best I can but
God forgive me
I'll curse your name a million times
I'll curse your name
Again, again, again

Catch the spark before it lands
Start the gust with flame in hand
Catch the spark before it lands
Start the gust with flame in hand
Catch the spark before it lands (And what are you afraid of)
Start the gust with flame in hand (Fighting from your couch)
Catch the spark before it lands (Let me just ask this)
Start the gust with flame in hand (Are you only angry now)

We're living anxiously, so why don't we just burn this
Tear these buildings down, and maybe it's all worth it
We're living anxiously, so how did we deserve this
And when they're dead and gone, we'll bury them all down with i
