

## Mr. Mailman

Ben Rector

Mr. Mailman bring me a letter  
Won't you tell me the news  
Because I can't stand it  
And you can make it better  
On central avenue, yeah  
Central avenue, yeah

If you cant beat 'em, then you join 'em  
If you know just what I mean  
If you can't, you know how I feel  
If you know just what I mean

'Cause there's a newsbee  
People gettin' angry  
People losing class  
'Cause it's the same old scene  
And everyone is empty  
Open up the past, yeah  
Open up your past

If you cant beat 'em, then you join 'em  
If you know just what I mean  
If you can't, you know how I feel  
If you know just what I ... oooh

If you cant beat 'em, then you join 'em  
If you know just what I mean  
If you can't, you know how I feel  
If you know just what I mean, oh oh

If you cant beat 'em, then you join 'em  
If you know just what I mean, oh oh  
If you cant beat 'em, If you cant beat 'em  
If you know just what I mean
