

Supernatural

Ben Rector

It can be hard to believe in miracles
Hard to trust in things that are a mystery
To forget that there is magic in the world
That there is more than just what we can touch and see

When you came around I heard the sound of angels singing

Now for the very first time I believe I can fly
Head to toe I'm electrified
I can feel it
I believe it
I am seeing
Something supernatural
Every time I look in your eyes
I understand that God is alive
I can feel
I believe it
I am seeing yeah
Something supernatural
Supernatural, supernatural, supernatural
Supernatural, supernatural, supernatural

It can be hard to remember who we are
That we are beautiful
That we are holy things
That the pen that wrote the moon and sun and stars
Wrote a symphony inside of you and me

So when you come around I hear the sound of angels singing

Now for the very first time I believe I can fly
Head to toe I'm electrified
I can feel it
I believe it
I am seeing
Something supernatural
Every time I look in your eyes
For I understand that God is alive
I can feel
I believe it
I am seeing yeah
Something supernatural
Supernatural, supernatural, supernatural
Something supernatural
Supernatural, supernatural, supernatural

Yeah yeah oh yeah
Every time that I look in your eyes
I understand that God is alive
I believe it
I can feel it
I can see it
Oh something supernatural
Supernatural, supernatural, supernatural
Oh something supernatural
I feel I feel I feel something supernatural
Supernatural, supernatural, supernatural

I can feel it
Supernatural, supernatural, supernatural
Supernatural, supernatural, supernatural

I feel something supernatural
