

# Thank You

Ben Rector

Thanks for the sunrise  
Thanks for the night sky  
Thanks for the deepest blue  
In my daughter's eyes  
And thanks for the weekend  
Thanks for a good friend  
Thanks for "In the High Life Again"  
Makes me feel alive

It's been too long since we sat down and talked this way  
But life is hard sometimes I don't know what to say  
But thank you (Thank you)  
Thank you (Thank you)  
Thank you (Thank you)  
Oh, for you have been good to me (You have been good)  
You have been good (Have been good)  
For you have been good to me (You have been good)  
You are always good

Now I miss how the world seemed  
Back when I was nineteen  
Maybe I just miss havin' things  
All figured out  
'Cause I got these doubts and  
I got these questions  
Things I just don't understand  
That I bet you'll sort it out

It's been too long since we've sat down and talked this way  
Life is hard sometimes I don't know what to say  
There are times when it just doesn't make no sense  
But you have been good to me, you have been good to me  
Time and again

So thank you (Thank you)  
Thank you (Thank you)  
Thank you (Thank you)  
Oh, for you have been good to me (You have been good)  
You have been good  
For you have been good to me (You have been good)  
You have been good  
Singin,' thank you (Thank you)  
Thank you (Thank you)  
Thank you (Thank you)  
Oh, for you have been good to me (You have been good)  
You have been good (You have been good)  
Oh you have been good to me (You have been good)  
You are always good

Come on sing it out, sing it loud  
Sing it together  
Come on sing it out, sing it loud  
So we can remember  
Come on sing it out, sing it loud  
So we can remember  
So I can remember  
So I can remember

Come on sing it out, sing it loud  
Sing it together  
Come on sing it out, sing it loud  
So we can remember  
Come on sing it out, sing it loud  
So we can remember  
So I can remember  
So I can remember

Thank you (Thank you)
