

The Best Is Yet To Come

Ben Rector

It's been the kind of year I'd be fine if I forgot, yeah
But I'll never forget it as long as I live and that's saying a lot
The wildest menagerie of unfortunate crazy things and now it's all over

So raise up your glass here's to brand new beginnings
And leave in the past all the things that are ending
'Cause tomorrow will bring us a new morning sun
My friends, I believe that the best is yet to come

So I guess now there's proof all good things must come to an end, yeah
And I couldn't tell you what comes next
But I do know that we'll never ever be standing here again
So here's to the memories, I forever keep them here with me
And I can't believe that it's over

So raise up your glass here's to brand new beginnings
And leave in the past all the things that are ending
'Cause tomorrow will bring us a new morning sun
My friends, I believe that the best is yet to come

Every ending is a new beginning
Is a new beginning
A new beginning

So raise up your glass here's to brand new beginnings
And don't shed a tear for the things that are ending
'Cause tomorrow will bring us a new morning sun
My friends, I believe that the best
And love, I believe that the best
And love, I believe that the best is yet to come
