

## You And Me

Ben Rector

It's been a real long time since I seen you girl  
It's been a real long time in another world  
I got scars to prove that I don't need you but the heart knows  
that I always do  
You and me, could never be  
Were forever leaving, you and me  
And I couldn't tell you what I needed  
But it's hard to speak when you're barely breathing  
Does it take a broken heart to find that your all I needed all  
this time  
You and me, could never be  
Were forever leaving, you and me  
You and me  
Been giving up on the feeling, been giving up on believing, bee  
n giving up on you and me, woah  
If my hearts still beating in my eyes see it this is how we'll  
always be  
Oh you and me yeah  
You and me, could never be  
Were forever leaving, you and me  
You and me
