Ben Reilly

Fuck nigga shit (Yeah)  
I stay out the way, I can't be part of that  
I can't wear no capes  
I can't wear no capes  
Stayed out the way, got a check up  
Stepped down from ego then stepped up  
I can't wear no capes  
I can't wear no capes

Brand new AF1's  
Throw up where you're from

My mama annoyed, too much noise from me and my boys  
Got 2-2-3's like double teaming Jordan  
Humor me and step into my story  
Come and see what we would deem important  
If you believe in self you can afford it

My bio like a haunted house  
Way too many hoes yeah, I was sneaking out my momma house  
Wait till I get my amount  
Don't ask me bout poppin out  
Don't ask me about shit you know I don't care about  
Carry out tasks, outcast with a black mask looking for his whereabouts  
Chest pass, he don't know where to bounce  
Think fast, slowing down at every doubt  
Hit the gas, think we did a fair amount  
On his ass, too bad, star-seeing like he paramount  
Took my Parademons up to Paramount singing-

Fuck nigga shit (Yeah)
