

# Jackpot

Ben Reilly

Yeah  
I thought this shit was light  
Hand me that water  
I'ma flip it  
Yeah

I got my swagger back  
I don't even matter that  
She took her rolls room for granted  
Crack it a matter of fact  
I give her super human dick  
She gon make band to band  
Look at me face to face  
I'm taking her dagger back

Hero man on her waist  
Wanted me to save the day  
She breaking necks, Gwen Stace  
She my little MJ  
Can you breath in outer space?  
Nigga, me neither  
I'm tryna keep her  
Take a little breather

Ah, fuckin with me, fuckin with me  
You just hit the jackpot fuckin with me  
Fuckin with me, fuckin with me  
You just hit the jackpot fuckin with me

You want me to change, I did  
Stop reffing the game, I did  
Be down on your frame, I did  
Put love on your name, I did  
If I stood aside, looked you in the eyes  
And told you the things I did  
You gave me the time, I'm giving you mine  
We talking 'bout save, I did  
She walking around in them JP jeans  
She had 'em on when I met her  
I step on these niggas in ACG's  
I call that shit checking my schedule  
I burnt out rapping on APD  
I can't help but check on my levels  
It sucks, but I do whatever  
Sucks, so we do whatever

Fuckin with me, fuckin with me  
You just hit the jackpot fuckin with me  
Fuckin with me, fuckin with me  
You just hit the jackpot fuckin with me

I pull up the comments  
Popping my shit but it's honest  
The way that I gottem so hooked don't hooks  
The album is lookin like finallys  
I love how you talk in my language  
Little baby adapt to my word like a comet

Pick you a dealership, gas, electronic  
Don't matter, you'll get it regardless  
Ay, ay, ay, what's up?  
Ay, ay, ay, what's up?  
Ay, ay, ay, what's up?  
Ay, ay, ay, what up?  
Love how you love on me, can't get enough  
You hold me down without holding me up  
Ain't no more phone calls missed, just trust  
I don't even think I'm so closed to be stuck

I got my swagger back  
I don't even matter that  
I got my swagger back  
I don't even matter that  
I pull up the comments  
I pull up the comments  
Popping my shit but it's honest

Fuckin with me, fuckin with me  
You just hit the jackpot fuckin with me
