

## Paul

Ben Reilly

I wanna be like my big cousin Paul  
He showed me how to hit licks at the mall  
He showed me how to go up on these broads  
He showed me how to be realer than y'all  
I wanna be like my big cousin Paul  
He showed me how to hit licks at the mall  
He showed me how to go up on these broads  
He showed me how to be realer than y'all

What's up, love? (Lit, lit, lit, lit, lit)

Big cousin was big bro to me  
Big cousin was his soul OD  
Big cousin who gon' blow for me

Me and all my cousins needed heros everyday (Save!)  
Me and all my cousins came from nothing  
State to state  
Me and all my cousins treat eachother like we brothers  
Me and all my cousins, bitch, we grew up like we brothers

Make ducking the influence  
All the shit that I been doing  
When I try to read into it  
The reassurance in this life is to keep moving  
Wonder if he would read through it  
If I speak to it  
Hoping you can take heat to it  
Maybe we would achieve more  
Or leave more behind  
As we seek more  
For the lack of a resource

I wanna be like my big cousin Paul  
He showed me how to hit licks at the mall  
He showed me how to go up on these broads  
He showed me how to be realer than- Pussy  
I wanna be like my big cousin Paul  
He showed me how to hit licks at the mall
