Find Me An Angel

Ben's Brother

Sitting in my bedroom
thinking of a love gone
wondering why it went wrong
over again

You didn't really know me
and it feels like you owe me
but I guess at least you showed me
not to do it again

Cause I've been knocked out
found out
'bout time that it turned 'round
cause I've got to find the one thing that will
get me over you
so

One day you've gotta find me an angel
someone to save me
someone to put me back together again
one day you've got to send me an angel
cause I'm back at the beginning
but I'm holding out for more
this time

I'm tired of being lonely
I'm getting to it slowly
I'm running out of patience
running out of strength

There's got to be a reason
for everything I'm feeling
but I think I've learned my lesson
I'm never doing it again

Cause I've been knocked out
found out
'bout time that it turned 'round
cause I've got to find the one thing that will
get me over you
so

One day you've gotta find me an angel
someone to save me
someone to put me back together again
one day you've got to send me an angel
cause I'm back at the beginning
but I'm holding out for more
this time

I'm not unbreakable
but what I'm trying to say
is I don't think I'm capable
of doing this alone so

One day you've gotta find me an angel
someone to save me

someone to put me back together again
one day you've got to send me an angel
cause I'm back at the beginning
but I'm holding out for more
this time

One day you've gotta find me an angel
find me an angel
someone to put me back together again
one day you've got to send me an angel
because I'm back at the beginning
but I'm holding out for more
this time
