

## Blackbird

Benassi Bros.

Big blue blind black bird  
Standin' by, behind a breeze of boasting  
Big blue blind black bird  
Standing by, under the sun  
You're roasting  
Big blue blind black bird  
Standing by,  
Beyond the bathroom window

Big blue blind black bird  
Standing by,  
You hide behind the rainbow

Spread your wings and fly  
Don't you bother me  
Fly away from me. "
