Make Me Feel

Benassi Bros.

You’re gonna be my man
you know it babe
you’re gonna be my friend
oh babe

so darling take my hand
don’t leave me waiting
don’t wanna lose my friend
no no no no babe

why don’t you understand
and you say maybe?
My heart is in your hand
oh babe

don’t make me wait too long
don’t make me crazy!
Don’t wanna be alone
no no no no

make me feel ohohoh babe
make me feel ohohoh babe
make me feel ohohoh babe
make me feel ohohoh babe

this love‘s a funny game
it’s so amazing
i’ll never be the same
oh babe

you really turn me on
you know i’m ready
you make me lose control
no no no no babe

now won’t you let me stay
and be your lady
‘cause you can light my way
oh babe

you really make me strong
my fear is fading
i know it can’t be wrong
no no no no

make me feel ohohoh babe
make me feel ohohoh babe
make me feel ohohoh babe
make me feel ohohoh babe

baby one time
baby one time baby
baby one time
baby one more baby
