

She's a sadist for money
And vanilla perfume
She'll turn that frown upside down for a warm heart to heart at
her favorite diner
Cause she's had a rough one, and you've had your own
From the bruises on her mind, to your simple "want-to-
die" blues

Ask around if you've seen her?
That shadowy man follows her tight
While the cocaine dries her eyes, you swear to God she's alrigh

She's a sadist for money
See no reason not to
She'll be up for a chat however bad the day has been treating h
er, whether it's
Creeps with their kinks, or the ones that boss her around with
their fists

Ask around if you've seen her?
That shadowy man follows her tight

Oh, but know this love
I'd had hatch an escape plan
Trick all the crooks, they'll never think you ran
You're knee deep in overdue bills and blow
Knee deep in overdue bills and blow
