

## Shedding Skin

Benea Reach

Hiding the fangs and the claws  
Concealing the hidden underneath within  
Smiling through every handshake  
while hiding the fangs and the claws

There is a beast inside the beauty  
And beauty inside of the beast

For a prodigious moment  
The surface becomes translucent  
Shedding skin  
And revealing the hidden underneath within

So hideous, oh so hideous  
Bu oh how beautiful it is to see  
The hidden showing through the surface  
So hideous, so beautiful

For a short prodigious moment  
The surface becomes translucent  
Shedding skin, shedding skin
